

Purches Collection

A to Z List of Principal Artists and Performers

Organization of this list:

The principal performer is listed surname first in **bold** type with role/s in (parentheses); after the forward slash / any associated performers, or groups are listed; for groups using a pseudonym the 'real name' / identity of group is shown in [square brackets] ; the original Cutter number (assigned to most performers who were primarily featured on the recordings) is listed on the far right hand side.
